

Clark Band Presto Pay Application

Presto Pay is a convenient way to pay for your scrip orders online directly using a bank account. There are several requirements that must be met in order to be granted the privilege.

1. Student must be in good standing with the band. And all band fees must have been paid for the current year.
2. You must have successfully placed two orders with the band in the Scrip program. Using the old-fashioned method of sending in an order and check to the Band Box.
3. You need to register online at www.shopwithscrip.com and fill this form out with the 4-digit code that was emailed to you.
4. You must agree to order responsibly. Funds must exist in your bank account to cover all order costs. Failure to do so will lead to a \$30 penalty fee that Clark Band will pass on to you. All orders placed on your account must be paid by you. Failure to pay properly will mean the loss of Presto Pay ability. And the band reserves the right to turn in delinquent accounts to the High School office which could result in the inability to get transcripts or participate in graduation exercises.
