

MEDICATION ADMINISTRATION INFORMATION SHEET

- Medication must be provided in the original container from the pharmacy. (You can get an extra container from your pharmacy).
- Medication will be given per the instructions on the bottle.
- If your student is taking medication in a way different from the label on the bottle we must have a note signed by the student's healthcare provider.
- Consider only sending the number of doses needed for the event so you do not have to retrieve the bottle at pick-up.
- Do not send "over the counter" medication with your student. We will provide "over the counter" medication as needed. All information is confidential. If you have any questions please email Mr. Russell - Kevin.Russell@nisd.net
